Spring flowers filled the auditorium on Thursday, May 8th., 1986 in memory of **Suzanne Denise Harrison.** Over one thousand friends and visitors came to pay their final respects as the entire State watched the horrible events which followed. Suzanne, along with her two companions, Gena Turner and Brian Boone were tragically murdered while enjoying a Sunday drive around Lake Hawkins. We may never know why, but their memory will live forever in our hearts. As the sorrow touched each of us, Beth Erickson was able to put into words the sentiments felt by the entire community.

We never would have thought
That it could happen here;
To someone that we loved so much;
So precious and so dear.

It's a shocking tragedy;
A horror . . . what a shame.
And the worst of it's the knowing
That they were not to blame.

Our emotions are stunned,
Hurt, angry, and more.
Why HER of all people,
With so much to live for?

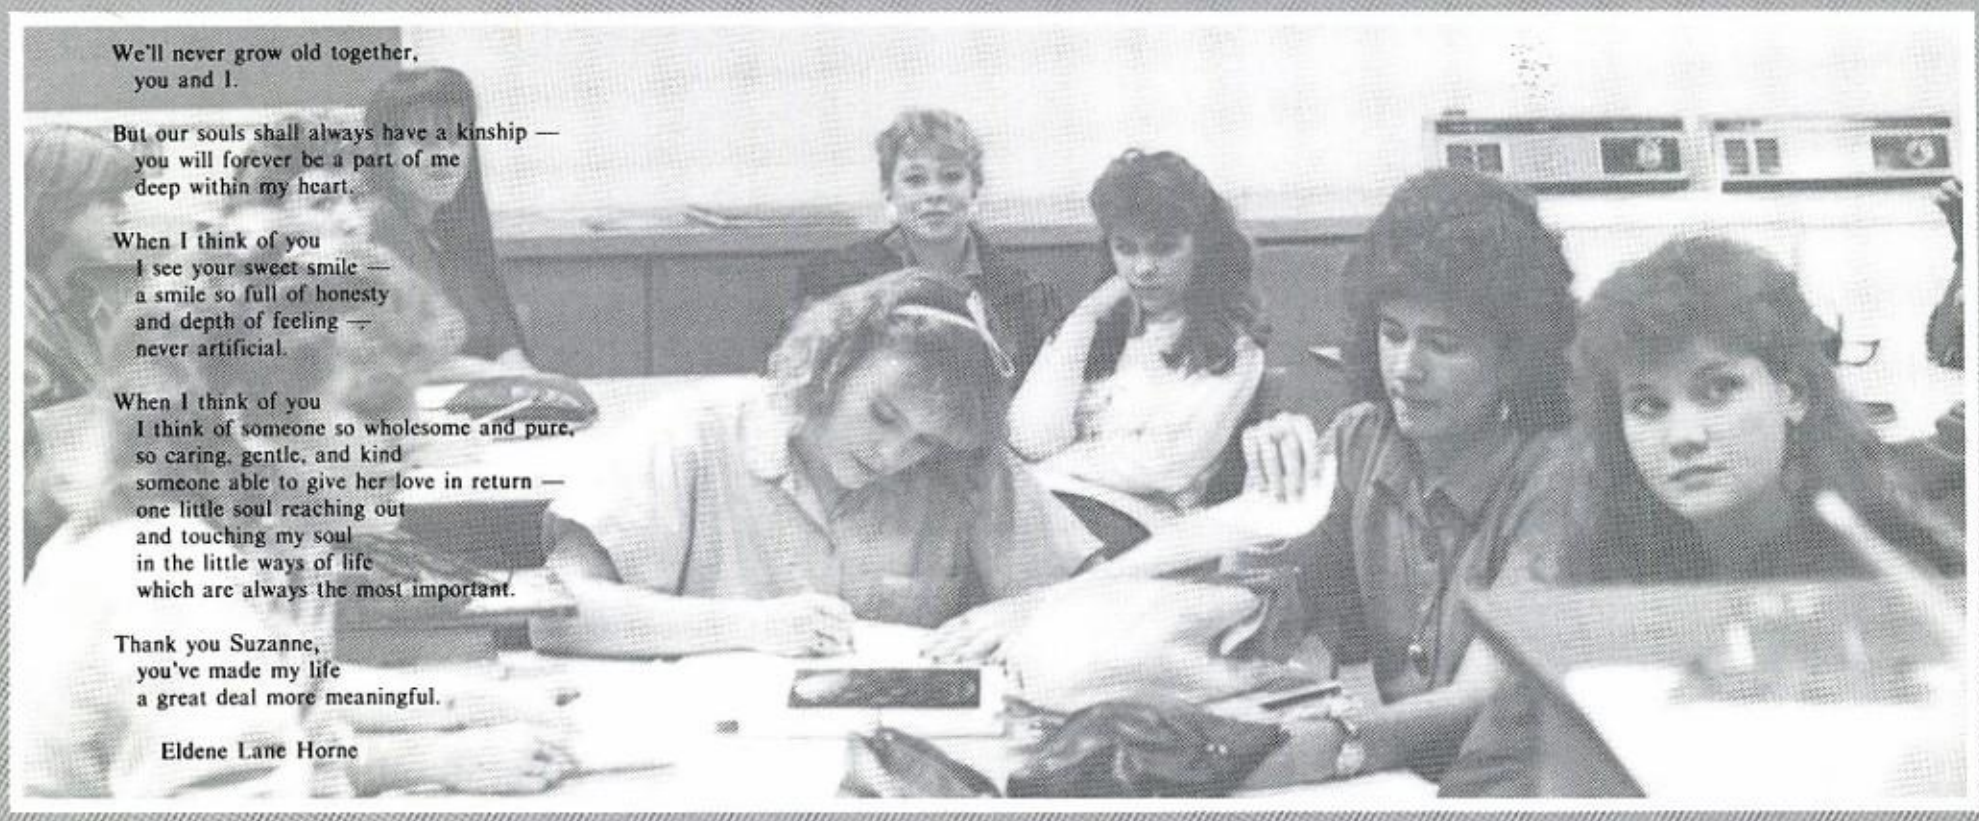
She was a senior
At the top of her class,
And for a sweeter person
You could never ask.

Her smile filled the halls
Of little Hawkins High.
The best we had to offer.
It's so hard to say goodbye.

But we have to go on
And try to live as she would.
Spread sunshine and laughter
To remember the good.

It sure will be hard,
But we'll do the best we can
To go on with our lives
But we'll miss you, Suzanne.

Suzanne Denise Harrison



We'll never grow old together,
you and I.

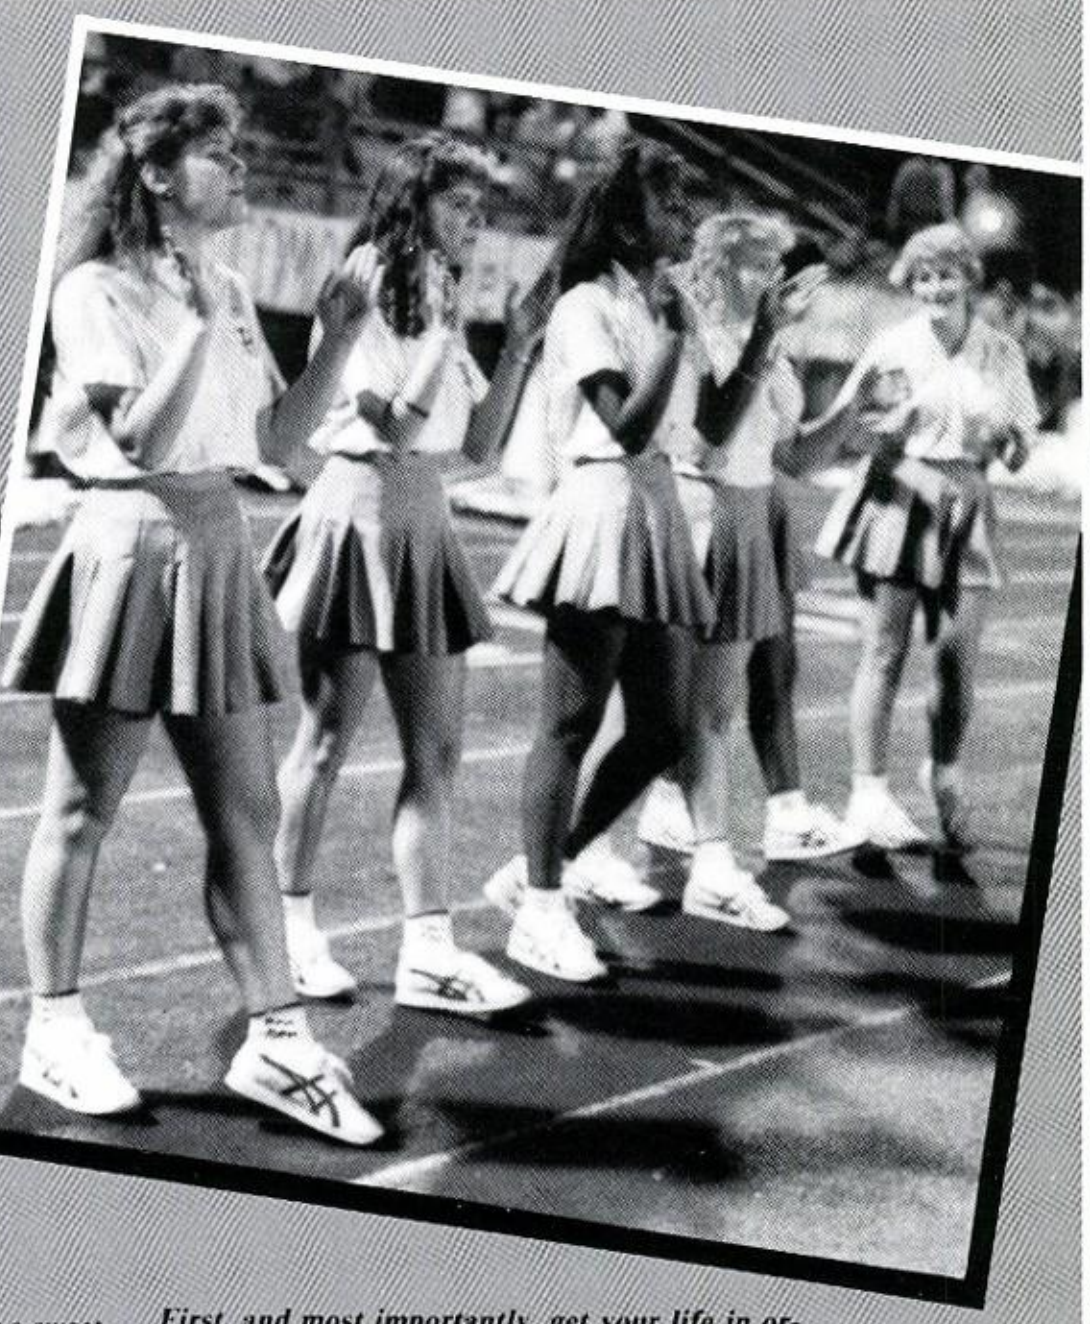
But our souls shall always have a kinship —
you will forever be a part of me
deep within my heart.

When I think of you
I see your sweet smile —
a smile so full of honesty
and depth of feeling —
never artificial.

When I think of you
I think of someone so wholesome and pure,
so caring, gentle, and kind
someone able to give her love in return —
one little soul reaching out
and touching my soul
in the little ways of life
which are always the most important.

Thank you Suzanne,
you've made my life
a great deal more meaningful.

Eldene Lane Horne



We will all remember Suzanne's bright and shining personality. Her loss is felt by each of her classmates, fellow cheerleaders and most importantly by her family. How appropriate for her dearest Aunt and friend, Eldene Lane Horne, to share her own personal parting notes written during those precious hours dedicated to Suzanne.

"I have known Suzanne all her short eighteen years. She was always a sweet and loving child, energetic and full of life. She loved people and the world God created. She was especially close to nature. I can remember throughout her life how she loved to care and nurture animals, how she loved to plant flowers and watch them grow. Life is what she was tuned into — in all its aspects. She saw the beauty of life and concentrated on the positive. Suzanne was one of the most self-motivated persons I have ever known. Truly, all her life she wanted to be the best she could be; and she never lost sight of her goals. She did what was necessary to get the job done and never complained. But to her, school work and activities were joyous; these were building blocks toward her future, a future in which she had high hopes and great expectations. If Suzanne could leave one last parting message to all of you, even after her tragedy, I know this is what she would say:

First, and most importantly, get your life in order with God; be ready to meet Him at any time. You will find your life goes more smoothly with God by your side; He will give you the strength to see you through all of life's trials and tribulations. Then, time is of the essence and what we do with this time makes all the difference. Live a quality life. Don't be a quitter or do a job half-way. Do every task to the very best of your ability — use the talents and gifts God has given you and go about your way joyously! Be the best you can possible be, love your fellow man, and let God's light shine through you.

I love you all and may God bless you forever."

The 1985-86 school year was another great year for the Hawkins Industrial Arts Club. We celebrated our 10th anniversary as a student organization. Members represented us very well at Regional and State contests where we finished 2nd in the state for 2A schools. We adopted a section of Highway 14 for litter control, raised $575.00 for the restoration of the Statue of Liberty, and collected $825.00 for the Christa McAuliffe memorial fund. In June, we will send delegates to the national convention in Witchita, Kansas. Those going to this event will be: Angie Holmes, Stephanie Ross, Toby Laughlin, Pat Moore, Denny Rucker, and Chris Woods. We have had a great year and our success has been because of you — our members.

1986 JUNIOR-SENIOR BANQUET AND PROM

The Hawkins High School junior class hosted the junior-senior banquet and prom on Saturday night, May 10, at the Oak Forest Country Club in Longview. Colors of red and silver were used to carry out the chosen theme of "We've Got Tonight." The white-covered individual tables were centered with bouquets of red roses, and each place setting was marked with printed red napkins, place cards, mint cups, a souvenir ribbon, and a long-stem rose. Invocation was given by John Moore. Junior class president Amanda Turner welcomed the guests, and George Johnson, senior class president, gave the response for the seniors. Andy Beavers read the class prophecy and Melanie Baker read the class will. Casey Bowles announced the prom queen, Lori Green, and a bouquet of roses was presented to her by Tracy Turner. Junior class sponsors were Ruth Wilks, Marian Steich, Louise Hendry, Fuller Burns, Dan Wise, Sam Hollingsworth, and Clara Kay. Senior class sponsors were Gwyn Kirk, Dan Kirk, Jo Ann Minshew, Bob Behnke, and Phil Pate.

BERMUDA TRIANGLE

ATHLETIC BANQUET

The 1986 athletic banquet was held on Saturday night, April 26, in the high school cafeteria. Athletic director Kenneth Skidmore welcomed guests and served as master of ceremonies for the evening's activities. Speaker for the banquet was Dean Campbell, a recruiting coach from the University of Texas. A theme of "The Stars of Hawkins High School" was used with the colors of blue and silver. The entryway to the beautifully decorated room was through streamers of blue and silver flanked by large blue balloons. A canopy over the room was formed of blue, white and silver streamers caught at the top by a cluster of silver stars. Blue and silver stars outlined the walls. The speaker's table held an arrangement of blue and white silk flowers with star arrangements along the sides. The words of the theme were on the wall behind the speaker's table in large blue letters. Each individual table held arrangements of silver stars, blue and silver candles, and blue program books.

Keep in touch...

Congratulations, Seniors, for achieving your high school diploma! Now it's time to move on to bigger and better things—a whole new world is waiting for you out there.

Go out and make your mark, but don't forget your roots. A lot of people worked very hard to help you make it, and they helped shape you into what you are.

So keep in touch with your old school buddies, teachers, coaches and hometown folks. And what better way to do it than through the pages of your hometown newspaper?

Each week you'll get the latest in news, sports and features. Each issue will keep you up to date on what's happening at home. Every paper you get will help remind you who you are, and where you're going.

So good luck, and keep in touch.
